## **Social Tourism with Be'er-Sova**

Be'er-Sova (NGO) provides meals to Beer Sheva's citizens in need: the elderly, Holocaust survivors, immigrants, families living under the poverty line and youth at-risk. In the Community Kitchen, clients receive nutritious meals in a warm, friendly meeting place with programs aimed at ending the cycle of poverty. The Community Kitchen hosts 100 people a day, 6 days a week, and offers empowerment groups for women, after-school programming for youth and legal aid gratis.

### **You are invited to Be'er-Sova's Community Kitchen**

-  **Dine with meaning** and enjoy a fresh, nutritious meal in the comfort of our community kitchen. Sit down to a hot meal or take your group's meal to-go.
-  Meet a member of the community, a Be'er-Sova client or hear from a local activist.
-  Volunteer or participate in a cooking class.

In Be'er-Sova's Community Kitchen, it only takes an hour or two to make a big difference and have an experience that you will never forget.

\*All proceeds go to support the services of Be'er-Sova.
